Country Manufacturing Her Own of the Osaka gun works. Spending 100,000,000 Yen on in the Fleet of Thirty-six Vessels.

New York, Dec. 30 .- An English engineer, at present stopping in New York, en route from Tokyo to London, who for the last three years has enjoyed peculiar opportunities for observation, by virtue of his business relations with the Japanese war office, to-day gave to your representative some facts concerning Japan's reserve war strength in terms of arsenal and shipyard production.

Since the war, he said, the war office in Tokyo has been as chary of admitting foreigners to the knowledge of what was at Port Arthur and Chemulpo eing done in the manufacture of war by the secret agents of the European war period of eight years.
